

EICCIO Advisors launches a corporate compliance and brand visibility consultancy in Guyana

EICCIO Advisors, led by industry vet Theon Alleyne, launches in Guyana offering SMEs compliance and brand visibility solutions.

GEORGETOWN, DEMERARA, GUYANA, July 28, 2023 /EINPresswire.com/ --Former Wall Street regulator and financial services industry veteran Theon Alleyne has launched a corporate compliance and brand visibility consultancy in Guyana under the brand EICCIO Advisors (EICCIO). EICCIO aims to provide a platform for Small and Medium Enterprises (SMEs) to position themselves to compete in a business environment where large companies generally have an advantage.

The company's launch coincides with National Small Business Week (<u>NSBW</u>), and a team from the company will participate in the NSBW Seminar & Expo on Saturday, July 29, 2023, at the Arthur Chung Conference Centre.

The business model promises to create a path for SMEs away from a "who you know" approach to providing the mechanisms for professionals, entrepreneurs, and businesses that choose to become known for their product or service.

EICCIO's clients will benefit from Mr. Alleyne's regulatory and operational expertise gained from regulating publicly traded entities and financial services companies. His unique insider's perspective was gained from navigating complex regulatory and operational challenges and his key roles at NYSE, NYSE American, NASDAQ, and FINRA. In particular, domestic and non-domestic entities will be able to leverage EICCIO's Government Compliance Approval service to

become fully registered and approved to operate in Guyana. This service will be available to participants at the 9th <u>CII India-LAC Conclave</u> in New Delhi, August 3-4, 2023.

Outside of its legacy corporate compliance capabilities, EICCIO has successfully executed several projects locally, across the Caribbean, and in the USA on its brand visibility platform over the last two years. "We look forward to sharing global corporate compliance best practices and tools with our clients to ensure they meet and exceed expectations when exploring opportunities with international partners. Our training is designed to complete the transfer of knowledge and build the capacity of entities to quickly experience a return

on investment," said Theon Alleyne, Managing Consultant.

With the launch of the consulting service, EICCIO furthers its mission to help non-domestic
