Welders, a manufacturer of permanent jewelry welders and accessories, is excited to release the [Zapp](#), an entry-level permanent jewelry welder meticulously designed for aspiring permanent jewelry artists looking to establish their own successful permanent jewelry business.

Priced at just \$999 USD, the Zapp permanent jewelry welder offers an affordable welding solution to kickstart

a permanent jewelry business. What sets the Zapp apart from other budget-friendly welders is its features designed with beginner permanent jewelry artists in mind. The Zapp is the ideal choice for permanent jewelry artists just getting started.

“

The Zapp welder offers aspiring entrepreneurs an easy path into the permanent jewelry industry.”

Jonathan Young

jewelry artists started on that path.”

Zapp, the newest entry-level permanent jewelry welder from Sunstone.

“The Zapp welder offers aspiring entrepreneurs an easy path into the permanent jewelry industry,” says Jonathan Young, CEO of Sunstone Welders. “The Zapp allows permanent jewelry artists to establish a strong and confident presence in the market and then as their business grows, upgrade to an Orion welder. The Orion Line of permanent jewelry welders is a collection of professional tools. The Zapp gets novice permanent

Designed and manufactured in the USA, the Zapp boasts safety features and dependability not found in other low-cost welders. In the event of any questions or concerns, customers can take advantage of the US-based customer service team's prompt and knowledgeable assistance.

As expertise and ambitions expand, Sunstone Welders offers the opportunity to eventually upgrade to the advanced [Orion PJ](#) welder—the

preferred choice among seasoned permanent jewelry artists. The Orion PJ welder sets industry standards with its power, energy control, and customization capabilities.

With the Zapp permanent jewelry welder now available, aspiring permanent jewelry artists can learn the basics of welding and take the first step towards their dreams of starting their own permanent jewelry business.
