

DIGIBLU SA STRENGTHENS LEADERSHIP IN DIGITAL WORKFORCE IMPLEMENTATION & OPERATIONS VIA STRATEGIC PARTNERSHIP WITH UIPATH

CAPE TOWN, WESTERN CAPE, SOUTH AFRICA, August 1, 2023 /EINPresswire.com/ -- [DIGIBLU](#) SA, PART OF THE [BP3](#) GLOBAL GROUP, STRENGTHENS LEADERSHIP IN DIGITAL WORKFORCE IMPLEMENTATION AND OPERATIONS VIA STRATEGIC PARTNERSHIP WITH [UIPATH](#)

DigiBlu SA, a South African-based specialized intelligent automation consultancy, now part of BP3, today announced it is entering a strategic partnership with UiPath (NYSE: PATH), a leading enterprise automation software company.

Having achieved initial efficiencies using robotic process automation (RPA) as a simpler, faster way to automate business processes, today, organizations are looking for further paths to increase efficiency, competitiveness, and to drive innovation and growth by leveraging intelligent automation platforms.

Having evolved its vision for automation beyond RPA and towards the virtually limitless potential of AI, DigiBlu SA is at the forefront of supporting South African organizations to achieve organizational transformation through the use of cloud-based AI-powered automation technologies.

The UiPath Business Automation Platform offers a full range of AI-powered automation capabilities, from mining customer conversations to document understanding and Generative AI experiences. It also provides process orchestration tools to discover, design, automate, and mine, enabling organizations to solve complex business challenges. Through the partnership, DigiBlu aims to help organizations unlock the vast potential of automation, encompassing process mining, process automation and test automation, as well as migration to SAP S/4HANA.

Gregory Williams, UiPath Regional VP South Africa, said: "Today, AI-powered automation is fast advancing toward attaining its full potential to become an engine for driving innovation in the enterprise and our customers in South Africa are at the forefront of using the UiPath Business Automation Platform to drive unparalleled business outcomes. Our partnership with DigiBlu SA will allow us to together support local businesses to become digital leaders while supporting

their employees and customers by creating more meaningful experiences.”

Steve Burke, Founder and Managing Director of DigiBlu SA, continues: “Our partnership with UiPath marks an exciting time for everyone at DigiBlu SA in South Africa and as a wider part of BP3 Global. UiPath shares our passion for automating business processes and transforming enterprises to realize exceptional value.”

Scott Francis, CEO of BP3, emphasized the significance of the UiPath relationship and BP3's expansion into Africa through this collaboration: “BP3 and DigiBlu have always believed in not just automating but understanding our client’s business so that we can deliver outsized results. DigiBlu’s consultative approach to AI-powered automation gives our clients a deeper partnership in delivering value. DigiBlu has some of the most compelling and forward-thinking clients in South Africa and we’re excited about what the partnership with UiPath will mean for our clients in Southern Africa.”
