*Discover the Power of Healing and Transformation in Toranj Irani's #BehindTheFace!*

NEW YORK, NEW YORK, UNITED STATES, August 1, 2023 /EINPresswire.com/ -- E&R Publishers, New York are proud to announce the release of [Toranj Irani's Behind The Face](#)—the compelling biography that gives the reader an all too real lens into the unthinkable pain of losing a child through an unimaginable cause. Toranj's story was featured on American Monster (Season 9, episode 3 entitled "It's over, move on.")

"Behind the Face: A Mother's triumphant journey from darkness to light after suffering a traumatic loss."

Behind the Face is a heart-wrenching and inspiring story of triumph as Toranj Irani embarks on her path towards healing after experiencing a traumatic loss. In this poignant book, Toranj opens her heart to the readers, allowing them to gain insight into her transformative journey—from questioning why her life was filled with suffering and a sense of punishment, to realizing that life's events were not happening to her, but for her. This newfound awareness leads her from bitterness to joy, marking a powerful awakening and transformation in her life.

Through the pages of Behind the Face, Toranj shares her profound experiences, shedding light on how she established a unique connection with her daughter, even though her daughter was no longer in physical form. Despite the loss, her daughter remains an integral part of Toranj's everyday life, showering her with magical surprises that appear unexpectedly.

This book serves as a testament to the strength of the human spirit and the resilience of a

mother's love. Toranj's journey from darkness to light will resonate deeply with readers, offering hope and inspiration to anyone who has experienced loss or faced challenging circumstances. Behind the Face is a poignant reminder that even in the face of unimaginable grief, healing and transformation are possible, leading to a life filled with newfound joy and appreciation.

Praise for: "Toranj Inari's Behind The Face"

"In this book, Toranj allows the reader insight into her journey from wondering why her life included so much suffering and why she was being punished- to the realization that not everything is happening to you and into the knowing that things are always happening for you. With this new awareness, along with the loving support of her cousin, she was able to move from bitter to joyful. Toranj then went on to develop a connection with her daughter-although no longer in physical form, Row is very much a part of her everyday life which includes \*out of the blue' magical surprises. This is a powerful story of her awakening and transformation."

Behind the Face serves as a guiding light for those navigating the darkest corners of grief. It reminds us that even in the face of unimaginable loss, there is hope for renewal and transformation. Toranj's journey unveils the transformative power of acceptance and the realization that life's challenges are not meant to break us, but to shape us into stronger, wiser beings.

As the narrative unfolds, readers will witness Toranj's profound realization that life's trials are not mere punishments but opportunities for growth and self-discovery. This newfound understanding illuminates her

path from bitterness to an awakening filled with gratitude and joy. Her story instills the belief that it is possible to find light even in the darkest moments, and that healing is not just a distant dream but an attainable reality.

It celebrates the enduring connection between a mother and her child, transcending the boundaries of physical existence. Toranj's journey exemplifies the beauty of cherishing cherished

memories and finding solace in the knowledge that love transcends time and space. Through her experiences, readers will discover the transformative power of love and its ability to shape lives and keep cherished ones alive in our hearts forever.

Ultimately, this book is a reminder that healing is not a linear journey, but a tapestry of emotions and experiences woven together. Toranj's story inspires readers to embrace their own journeys of healing and to view life's challenges as opportunities for growth and self-discovery. This book is an invitation to embrace vulnerability, find strength in resilience, and cultivate a life filled with newfound joy, appreciation, and compassion.

Rowena Irani

As readers close the final chapter, they will carry Toranj Irani's message of hope and resilience within their hearts, ready to face their own adversities with a renewed sense of strength and purpose. Behind the Face is an unforgettable literary treasure that will leave an everlasting impact, illuminating the path to healing and transformation for generations to come.

Featured in an episode aired Nov 13, 2022 "It's Over. Move On.: Directed by Chris Roberts," with Robert Firth, this captivating episode delves into the poignant journey of Rowena Irani, a 22-year-old Wichita State University student whose life took an unexpected turn on October 3, 2016. A promising psychology major with dreams of becoming a teen psychologist, Rowena's aspirations were tragically cut short when she was shot and lost her life the next day.

As the episode unfolds, viewers will witness the gripping aftermath of this devastating incident, with a focus on the arrest of Dane Owens, Rowena's ex-boyfriend and an Afghanistan war veteran battling PTSD. Owens's shocking confession of entering Rowena's home alone and committing the murder only adds to the heartbreak surrounding this case.

The show takes the audience on an emotional rollercoaster as they journey through the legal process and the pursuit of justice, culminating in the conviction of Dane Owens for first-degree felony murder, two years after Rowena's untimely passing.

This featured episode of "It's Over. Move On." presents a compelling narrative of loss, resilience, and the power of community in seeking healing and closure after such a tragic loss. It serves as a powerful reminder of the profound impact of life's unpredictability and the strength found in

embracing hope amidst adversity. The episode can be viewed on Discovery+
