"Peace" is the first single from Stosic's newest album "The God Who Named the Stars" which was released to all streaming services in 253 countries on June 21st.

Now available on Spotify, Apple Music, Amazon Music and all other streaming services.

In April of 2021 Michael was scheduled to have a complicated major surgery. Says Michael, "in the natural I should have been nervous about the surgery and the possible outcome." Michael began studying the scripture in John 14:7 that says, "Peace I leave with you, my peace I give to you. I do not give as the world gives. Do not let your hearts be troubled or afraid."

"Those words really hit home with me and I felt God's peace immediately and in a real supernatural way. I had God's peace and joy and went through the surgery perfectly."

[Stosic took the words from that scripture and wrote the very beautiful "Peace."](#)
