Veterans for Trump aka Veterans for America First is announcing the state chapter endorsement of State Rep Mesha Mainor for GA State House 56.

The Georgia state legislator recently made national news switching parties leaving the Democrat party for the GOP.

"I didn't leave the Democrat Party. The Democrat Party left Me" said Mesha Mainor.

Earlier this year Mesha Mainor was the only Democrat to vote for Senate Bill 233 89-85 expanding school choice through vouchers. School vouchers give parents the freedom to choose a private school for their children, using all or part of the public funding set aside for their children's education.

Mesha Mainor supported legislation creating the prosecuting attorney's qualifications commission. On May 5, 2023 Governor Kemp Signed this Legislation into law. The PAQC has the authority to investigate alleged misconduct by district attorneys and solicitors-general and

discipline, remove, or cause the involuntary retirement of those who meet the conditions for removal.
