THE EARLY BIRD DISCOUNT ENDS THIS MONTH – AUGUST 31st, 2023.

USE CODE: NGIOG20 AND REGISTER TODAY!

With cancer being one of the most prevalent and challenging diseases of our time, immuno oncology has emerged as a promising approach that leverages the power of the immune system to combat cancer cells. The Next-Gen Immuno Oncology Conference - EU Edition will delve into the latest developments, cutting-edge technologies, and innovative strategies in immuno-oncology research and its practical applications in clinical settings.

Key highlights of the conference:

Expert Keynote Speakers: The event will host an impressive lineup of keynote speakers, who are renowned experts and thought leaders in immuno oncology, promising enriching discussions and thought-provoking insights.

Comprehensive Agenda: The conference will cover diverse topics, including emerging therapies, personalized immunotherapy, biomarkers, combination therapies, and the latest clinical trials, among others.

Networking Opportunities: Participants will have the chance to engage with peers, researchers, and industry professionals, fostering valuable connections and potential collaborations.

The conference organizers are excited to offer an exclusive EARLY-BIRD discount for attendees. Register before AUGUST 31st, 2023, to take advantage of a generous 20% OFF on the conference registration fee. To secure your early booking with this discount, apply the code "NGIOG20" during the registration process.

In case you missed it, the conference will take place on 5th - 6th October 2023 at a premier venue in Frankfurt, Germany. Don't miss this unique opportunity to be a part of the future of cancer treatment and join fellow experts in shaping the landscape of Immuno oncology.

"We are thrilled to organize the Next-Gen Immuno Oncology Conference - EU Edition in Frankfurt," said Nikita Parab, Associate Director – Conference, at MarketsandMarkets. "This event will provide an exceptional platform for the exchange of knowledge and ideas, fostering advancements in immuno oncology research and its transformative impact on cancer treatment, she added."

Additionally, the Next-Gen Immuno Oncology Conference - EU Edition will be co-located with two other prominent events organized by MarketsandMarkets - the Biomarker and Companion Diagnostics Conference - EU Edition and the Real-World Evidence and Market Access Conference - EU Edition. This unique combination of conferences will create a comprehensive platform for attendees to explore the synergies between immuno-oncology, biomarkers, companion diagnostics, and real-world evidence.

Delegates will have the added advantage of attending sessions from multiple conferences, expanding their knowledge across various cutting-edge disciplines. The co-located events aim to foster cross-industry collaboration and facilitate a deeper understanding of the interconnectedness between these vital areas of research and development. Participants can expect an enriching experience, with abundant opportunities to interact with experts from different domains, leading to fruitful exchanges of ideas and potential collaborations that could drive transformative advancements in the field of oncology.
