

# Introducing Infuse, A Skincare Line infused with Yerba Mate for Mature Skin

*Infuse, a newly launched skincare line infused with yerba mate catered to mature skin, proudly announces its arrival on the market.*

LOS ANGELES, CA, UNITED STATES, August 2, 2023 /EINPresswire.com/ -- The journey etched on [mature skin](#), adorned with years of laughter, tears, and memories, tells a unique story of wisdom and beauty earned over time.

Age is no impediment to feeling confident in one's skin. With a dedicated focus on mature skin, Infuse offers tailored products that uphold both quality and efficacy to ensure a rewarding [skincare](#) experience.

At the heart of Infuse's potent formulations lies the cherished active ingredient: [yerba mate](#).

“

We want people to embrace the skin they are in at every age.”

*Lara Schmoisman*

Traditional cultures in South America have treasured yerba mate for its therapeutic properties. Yerba mate boasts an array of benefits, such as rich antioxidants, natural stimulating properties, and anti-inflammatory elements.

The mission of Infuse extends beyond skincare – it's about fostering self-assurance at every age and stage of life. As

CEO Lara Schmoisman states, "We want people to embrace the skin they are in at every age."

Infuse products can be purchased on [www.infuse-skin.com](http://www.infuse-skin.com) and Amazon. For those interested in exploring the potential inclusion of Infuse Yerba Mate Radiance Eye Cream in their story or gift guides, the team welcomes product coordination.
