

Long Delays in Access to Consulate Notaries Impacting Vital Life Transactions: Cyberize It, LLC Offers New Solutions

COLUMBUS, OH, USA, August 28, 2023

[/EINPresswire.com/](https://EINPresswire.com/) -- The prolonged wait times and difficulties in obtaining access to a notary at consulates are causing significant disruptions in people's lives, particularly in matters of real estate, probate, and other pivotal life-changing scenarios that simply cannot tolerate delays. Frustratingly, individuals often find themselves compelled to return to the USA due to the impracticality of waiting for consulate appointments overseas. Recognizing the critical need for a solution, [Cyberize It, LLC](#) is committed to raising awareness and offering effective remedies through its cutting-edge online notary services. These services transcend geographical boundaries, making access to a USA Notary as simple as a few clicks, even if you're thousands of miles away or on the moon.

Long-established norms have frequently subjected individuals to time-consuming and often unpredictable delays when seeking notarial services from consulates. Real estate transactions, inheritance matters, and other life-altering events

necessitate timely authentication, yet individuals are often left grappling with bureaucratic hurdles and inconvenient logistics. [Cyberize It, LLC](#) acknowledges the urgency of this issue and

CYBERIZE IT

WBENC
WOMEN'S BUSINESS ENTERPRISE

has developed a comprehensive approach to address these challenges head-on.

"At Cyberize It, we believe that access to a USA Notary should never be a complex ordeal, especially when distance is a factor," stated Amy Seitz, CEO at Cyberize It, LLC. "Our online

notary services revolutionize the way notarizations are conducted. Our platform transcends geographical limitations, enabling individuals to securely and seamlessly execute important documents from virtually anywhere in the world, without the undue burden of navigating consulate processes."

With the Cyberize It platform, individuals no longer need to contend with protracted appointment wait times, travel logistics, or geographical constraints. The user-friendly interface facilitates a streamlined notarial process, offering convenience, security, and peace of mind. The company's commitment to inclusivity and accessibility extends beyond borders, enabling clients to access reliable notarial services efficiently, whether in a different country or across continents.

By leveraging Cyberize It, LLC's online notary services, clients gain the flexibility to conduct essential transactions at their convenience, with the assurance of compliant and secure documentation. This innovative approach to notarization underscores the company's dedication to empowering individuals and businesses with efficient and modern solutions, irrespective of their physical location.

About Cyberize It, LLC:

Cyberize It, LLC is an innovative online notary service that leverages technology to simplify the notarization process. By offering a convenient and secure platform, Cyberize It aims to eliminate the challenges associated with finding and meeting with a notary in person. The company is dedicated to making notary services more accessible to individuals and businesses, saving them time and resources. For more information, visit www.cyberizeit.com

Cyberize It, LLC was founded in March of 2021. Offering its software solution in more than 35 states and in the US territory of Guam.

Cyberize It, LLC is a small, 100% woman owned business based out of Columbus, Ohio. Created by a long-term Notary, Amy realized that the software options for Notaries just did not meet her needs, standards, or requirements.

Cyberize It, LLC offers a streamlined process where individuals can upload a document and connect to a notary, as well as allows for the Notary to setup their own client base and facilitate

the notarization directly with them.

Cyberize It, LLC is a Certified as WBENC Women's Business Enterprise (WBE), Ohio Women Owned Business, and a LGBT Business Enterprise®
