First Attain Online Japanese School Information Session for Fall Semester 2023 Enrollment to be Held on August 22, 2023

In the fall semester, the school offers Japanese classes for all levels (N5-N1). There are two types of classes offered: video classes with 24-hour access, and live 90-minute classes taught twice a week by highly qualified instructors who are certified teachers of Japanese. Video courses subtitles are also available in English, Chinese, and Vietnamese.

We are currently accepting applications for October 2023 enrollment and plan to hold information sessions.

However, we thought that the charm of AOJ Language School, such as the ease of communication with teachers and the ease of learning, could be conveyed by actually taking classes.

Therefore, we have decided to hold a free trial session of level-based classes.

On the day of the event, Japanese language teachers who are actually in charge of the classes will give a lecture.

The free trial lesson is 45 minutes, but the actual live class after enrollment will be 90 minutes each time.

Advance registration is required. If you wish to participate, please confirm the date and time of the free trial lesson for each level and apply via e-mail or the inquiry form on our website.
