

# Eddy Andrews Handyman Services Introduces Home Safety and Accessibility Solutions for Aging-in-Place Australians

BRISBANE, QUEENSLAND, AUSTRALIA, August 22, 2023 /EINPresswire.com/ -- [Eddy](#) Andrews Handyman Services, a leading provider of reliable home repair and maintenance solutions, is pleased to announce the launch of its innovative Home Safety and Accessibility Services, designed to support aging-in-place Australians in creating safe and accessible living spaces. With a commitment to enhancing the quality of life for seniors, Eddy Andrews Handyman Services aims to be the trusted partner in ensuring that homes remain comfortable and secure throughout the aging process.

## The Importance of Aging-in-Place

As the Australian population ages, many seniors express a strong desire to remain in their homes and communities for as long as possible. Aging-in-place offers numerous benefits, including familiarity with the surroundings, maintaining social

connections, and preserving independence. However, it is essential for homes to be modified to meet the changing needs of seniors, ensuring a safe and accessible environment.

## Home Safety Modifications for Seniors

Eddy Andrews Handyman Services offers a comprehensive range of home safety modifications

that address the unique challenges faced by aging homeowners. From installing handrails and grab bars in bathrooms to reducing tripping hazards and improving lighting, their skilled handymen create safe living spaces that minimise the risk of falls and accidents.

### Bathroom Accessibility Solutions

Bathrooms can be particularly hazardous areas for seniors. Eddy Andrews Handyman Services specialises in creating bathroom accessibility solutions, including walk-in bathtubs, non-slip flooring, and elevated toilets. These modifications enhance safety and convenience, allowing seniors to maintain their dignity and independence while using the bathroom.

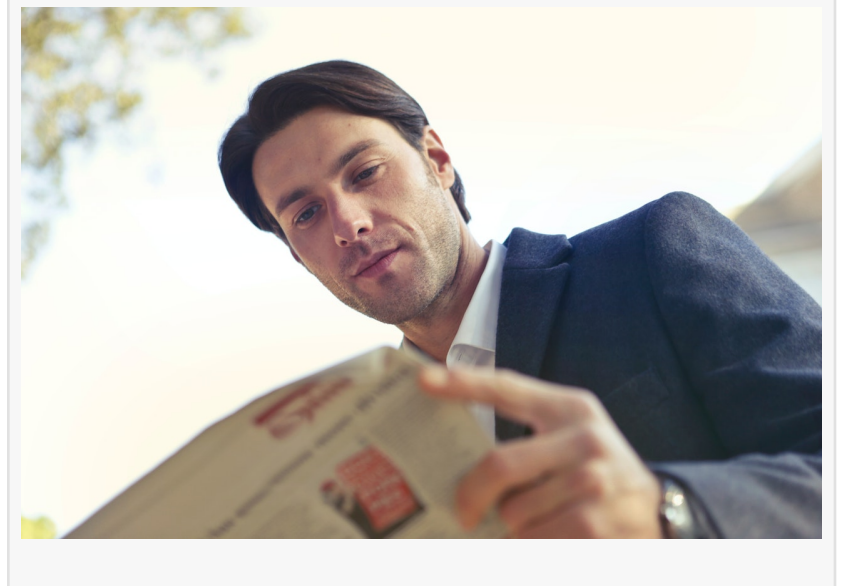

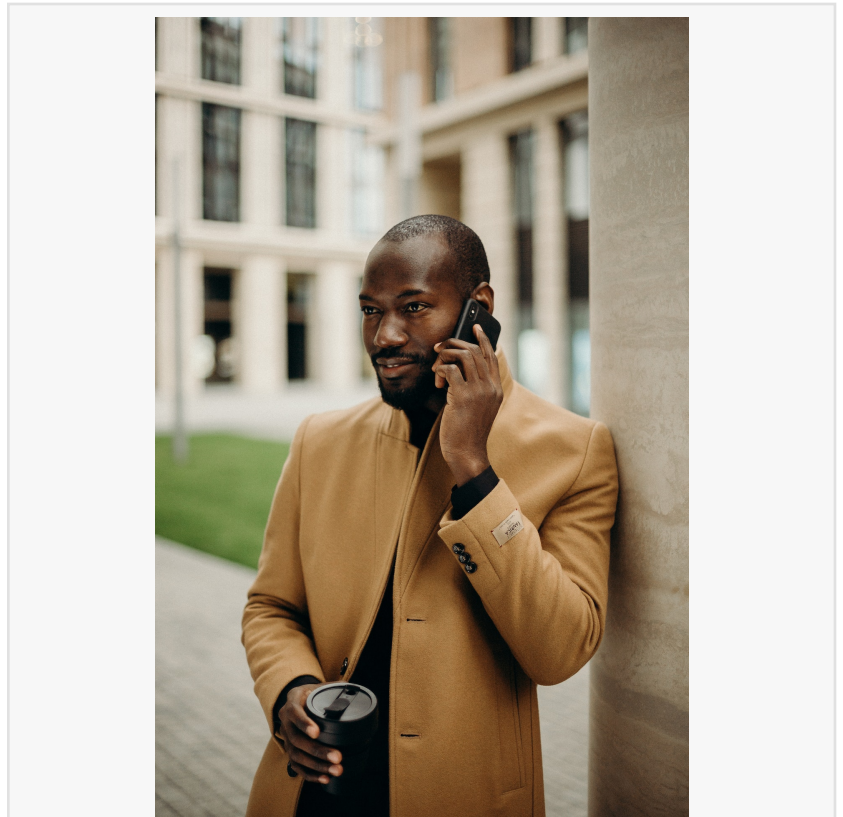

### Kitchen Adaptations for Easy Access

The kitchen is the heart of the home, and Eddy Andrews Handyman Services ensures that seniors can continue to enjoy the pleasure of cooking and meal preparation. They offer kitchen adaptations such as lower countertops, pull-out shelves, and lever-style faucets, making kitchen tasks more accessible and comfortable for aging homeowners.

### Home Security Enhancements

Home security is crucial for seniors living independently. Eddy Andrews Handyman Services provides home security enhancements, such as installing motion-activated lights, deadbolts, and security cameras. These measures not only deter potential intruders but also provide peace of mind for seniors and their families.

### Ramp Installations and Accessible Entries

Eddy Andrews Handyman Services facilitates seamless home entry for seniors by installing ramps and creating accessible entries. These modifications allow seniors to move in and out of their homes with ease, regardless of mobility challenges or the use of mobility aids.

### Personalised Home Modifications

Recognising that each senior's needs are unique, Eddy Andrews Handyman Services takes a personalised approach to home modifications. Their team of experts collaborates closely with seniors and their families to understand their specific requirements and preferences. This enables them to tailor home modifications that suit individual lifestyles and ensure a safe and comfortable living environment.

### Upgrading Home Technology for Seniors

Advancements in home technology can significantly enhance the lives of seniors. Eddy Andrews Handyman Services offers technology upgrades, such as smart home devices, voice-activated assistants, and emergency response systems. These innovations simplify daily tasks and provide added security and convenience for aging homeowners.

### Sensory Modifications for Improved Comfort

As seniors age, their sensory needs may change. Eddy Andrews Handyman Services addresses sensory modifications, including better lighting for vision-impaired individuals and noise reduction measures for those with hearing sensitivity. These modifications contribute to an environment that supports seniors' comfort and well-being.

### Promoting Independence and Dignity

Eddy Andrews Handyman Services firmly believes in promoting independence and dignity for seniors. The Home Safety and Accessibility Services aim to empower aging-in-place Australians to maintain control over their lives and continue engaging in daily activities with confidence.

### Quotes from the Management

Eddy Andrews, Founder and CEO of Eddy Andrews Handyman Services, stated: "Aging-in-place is a significant lifestyle choice for many seniors. We are delighted to introduce our Home Safety and Accessibility Services, designed to create safe and accessible living spaces that support

seniors' independence and quality of life."

James Mitchell, Head of Home Safety and Accessibility, added: "Our team is committed to ensuring that seniors can age gracefully in their homes without compromising on safety and comfort. With our personalised approach, we aim to make homes functional, secure, and conducive to the evolving needs of aging homeowners."
