□□□□□□ □□□□□ □□ □□□□ □□□□□□:

- Does this report take into account the impact of COVID-19 and the war between Russia and Ukraine on the Online Language Learning market?

Yes. We have definitely taken the COVID-19 pandemic and the Russia-Ukraine war into consideration throughout the research because they have a significant impact on the global supply chain relationship and the raw material price system. We go into great detail about how the pandemic and war have affected the Online Language Learning Industry.

- How do you come up with the list of important people on the report?

We concretely examine not only the leading businesses that have a voice on a global scale but also the regional small and medium-sized businesses that play key roles and have plenty of potential for growth in order to clearly reveal the industry's competitive situation.

- What are your primary sources of data?

During the report's creation, both primary and secondary data sources are utilized.

Key opinion leaders and industry experts (such as experienced front-line staff, directors, CEOs, and marketing executives) are extensive interview subjects for primary sources, as are downstream distributors and end-users.

- Could I at any point change the extent of the report and redo it to suit my necessities?

Yes. Our customers can benefit from customized requirements that are multidimensional, deep-

level, and high-quality to precisely grasp market opportunities, effortlessly face market challenges, correctly formulate market strategies, and promptly act, thereby granting them sufficient time to compete in the market.
