As a testament to its commitment to providing guests with unparalleled experiences, Maria Concetto Winery invites all wine enthusiasts to indulge in this unique and opulent tasting experience. From the moment guests step into the winery's refined ambiance, they will be treated to a symphony of flavors and textures.

The Sparkling Sensation experience is a carefully curated culinary delight, featuring the finest White Sturgeon Caviar expertly paired with two of the winery's exceptional sparkling wines – the Brut from Napa Valley and the Blanc de Blancs from Sonoma. Each sparkling wine offers a distinct character and effervescence, complementing the delicate flavors of the caviar, resulting in an unforgettable symposium of taste.

The journey begins with the Brut, renowned for its crispness and lively bubbles, which sets the stage for the culinary adventure that follows. Guests will relish the interplay of the wine's citrus notes and the caviar's creamy richness, a delightful prelude to what awaits.

Continuing the experience, the Blanc de Blancs takes center stage. With its elegant and refined character, this sparkling wine harmonizes perfectly with the caviar's briny essence, creating an extraordinary medley of flavors that dance on the palate.

"At Maria Concetto Winery, we strive to offer our guests extraordinary experiences that celebrate the artistry of winemaking and the beauty of life," said Owner Maria Reznikova.
