

The psychological thriller film GOT U starts it's Post Production

After long hours of production and on-set running, GOT U wrapped production on July 3 right before the Holiday and has now moved into Post Production

HOLLYWOOD , LOS ANGELES, UNITED STATES , August 5, 2023

/EINPresswire.com/ -- The psychological thriller starring Chris Moss and new to the leading role position Deshon Gray, pits two unusual acquaintances back together many years past high school with a plot that promise to keep the audience entertained.

Curtis Elerson Executive Producer beamed when talking about her role. "She brings a new dimension to "Disturbed Characters".

Director Glenn Broadus chimed in "Chris Moss was also a pleasure to work with and showed his professionalism on set with the highest degree of preparedness and a passion for the role".

“

Deshton, stepped up and into her role for this movie and absolutely crushed it"

Producers Gregg Sharp and Curtis Elerson now producing GOT U

Executive Producer/Partner Gregg Sharp was absent on set while filming the World Series of Armwrestling across the US but was able to be reached for a comment, "Curtis and I communicated daily while I was away and I can tell you that from listening to him describe the daily wrap ups, we have more than just a movie on our hands".

Elerson and Sharp have moved the project to editing and they are looking for a relatively quick turnaround to get this out. Both men have been working

hand in hand in producing multiple high-level projects like Born2Hustle that will be out soon.
