

Celebrate Homecare Workers at the Inaugural CARESTAR Awards

The Year of the Home Care Worker

QUEENS, NEW YORK, UNITED STATES, August 3, 2023 /EINPresswire.com/ -- The Anchor Group is proud to announce the inaugural CARESTAR Awards, an event dedicated to recognizing the invaluable contributions of homecare workers throughout New York. Hosted by Fox 5 reporter and host Antwan Lewis, this event will honor 18 deserving healthcare workers in categories such as Advocates, Commemorative, Compassion, Longevity, and CARESTAR of the Year.

Homecare workers are the backbone to post-acute care for patients in need. They often go unrecognized for their hard work and dedication to providing quality care for those who rely on them. During COVID-19, these brave individuals still showed up daily and risked their own safety to care for others. Kevin Howell, CEO of The Anchor Group, said, "Home care workers are valuable assets in our communities; they care for our elderly, disabled, and sick families and friends and should be duly recognized. In many cases, they can't miss a day of work, as this means putting the life of the person they are caring for."

The CARESTAR Awards provide a platform to recognize these frontline heroes for caring for millions of vulnerable New Yorkers - children, seniors, and people with disabilities. The Anchor Group has partnered with CABS Health Network, JASACare, OBH, Affinity At Molina Health Care, Aetna Better Health, Aetna Medicare Advantage, Bolt Healthcare, D'Marsh Couture AZ Billing, NYC Health & Hospital Community Care & NetStruc PR to ensure this event is a success.
