

Sincerity Applied Materials Holdings Corp Files Form 15-12G and Applies for Alternative Reporting on OTC Market

MELBOURNE, VICTORIA, AUSTRALIA, August 3, 2023 /EINPresswire.com/ -- [Sincerity Applied Materials Holdings Corp](#) (OTC: [SINC](#)), an innovative company in the applied materials industry, announced today that it has filed Form 15-12G with the Securities and Exchange Commission (SEC) on July 25th, 2023. In conjunction with this filing, the company has also submitted its application for alternative reporting on the OTC market on August 3rd, 2023.

Form 15-12G is a voluntary filing made by the company to suspend its reporting obligations under the Securities Exchange Act of 1934. By taking this step, Sincerity Applied Materials Holdings Corp aims to reduce administrative costs and focus its resources on core business operations while maintaining transparency and accountability to its shareholders.

Additionally, the company's application for alternative reporting on the OTC market further demonstrates its commitment to providing timely and accurate financial information to investors and stakeholders. This alternative reporting will enable the company to present its financial performance and updates efficiently, facilitating a smoother flow of information.

"We believe that the decision to file Form 15-12G and apply for alternative reporting will streamline our reporting processes and improve our operational efficiency," said Yiwen Zhang, CEO of Sincerity Applied Materials Holdings Corp.

"Our commitment to transparency remains unwavering, and we are confident that this step will allow us to better focus on executing our strategic goals and driving long-term value for our shareholders."

The company expects that the completion of the alternative reporting application process will enable it to achieve pink current status within the next four weeks. This will signify that the company is up-to-date with its reporting obligations, and its information is publicly available and current.

Investors and shareholders can monitor updates on the company's status and progress towards

pink current through OTC Markets or the company's official website.
