This announcement follows a series of recent initiatives and accomplishments that have solidified LBC's position as a leader in the industry:

1. Client Acquisition through Networking Events: the LBC team has been strategically utilising high-profile networking events to showcase LBC's innovative marketing solutions, resulting in the successful acquisition of a diverse portfolio of clients, including EcoGames.net, Circles Indonesia, Bali Children Foundation, Trace Elements, and Alam Santi Sustainable Living and Design. "These events have not merely served as platforms for showcasing our expertise but as fertile grounds for forging strategic partnerships that have been instrumental in shaping our growth trajectory," says Carmen Van Zyl.

2. Leadership Engagement in Networking Groups and Events: the team has been actively involved in various networking groups and events in Indonesia, including [United Founders](#), DFAT & Australian Embassy networking events, Nordic Council Indonesia, Bali Investment Club, and the G20 Digital Agriculture Forum. This strategic engagement has not only elevated LBC's industry standing but also fostered valuable partnerships and collaborations. These alliances, formed at these prestigious events, have been instrumental in driving the company's growth.

3. Strategic Collaborations with Industry Change-makers: LBC is committed to collaborating and forging partnerships with pioneers in their respective industries. LBC is proud to be partnering with clients who are making a significant impact. These strategic collaborations have enabled LBC to contribute to the success of these industry leaders while also driving innovation and growth within Live Better Creatives. "By aligning ourselves with these changemakers, we are shaping the future of the marketing landscape," says Carmen Van Zyl.

"Our unwavering commitment to delivering unparalleled service to our clients is the cornerstone of our operations. This expansion is not just a testament to our dedication but a bold declaration of our ambition to revolutionise the landscape in Indonesia and beyond," adds Carmen Van Zyl.
