CITY OF INDUSTRY, CA, US, August 7, 2023 /EINPresswire.com/ -- Inspired by cold drinks bursting with sweet and slightly spicy flavor, Langers brings summer's favorite fruity drink to an easy, pre-packaged recipe. On the heels of launching its pure pineapple juices in a 5-calorie version, the family-owned West Coast juice brand continues to push the envelope in exceptional juice at affordable prices – a delicious dose of Vitamin C, perfect for mixing drinks, making mocktails and more. The Pineapple Chamoy is best enjoyed ice cold or with a little rum and squeeze of lime for a Piña Chamoyada.

"Living in southern California, hot days can be tough – and having a bright, cold drink after work is a treat. We wanted to bring a new tasting experience for this summer and pay homage to the lively flavors of the chamoy-infused drinks with our own, easy to drink blend of juices and chamoy. Our recipe makes it simple to pour, sip or even chug and enjoy," said Bruce Langer, President of Langers.
