*Indignor House proud to announce that the long awaited second book to the Journey's Travels series now available for pre-order - Mirrors - Out Now*

VIRGINIA BEACH, VIRGINIA, UNITED STATES, August 12, 2023 /EINPresswire.com/ -- MIRRORS, book 2 of Journey's Travels, follows Journey Elizabeth Gordon as she finally meets her mother's relatives. But they are anything but ...

With another school term comes another trial - Skopocit. Takoda and Journey must travel to another solar system and visit the planet of their choice. And Journey knows exactly which one - the one that is closest to the Tarkadians - the evil race that just attacked and destroyed her school. The closest planet is Indria. A world where the people glow and are hatched, not born. A world that is dark and bleak and without an atmosphere. And a world that has many answers to her many questions.

Journey now must accept the truth about her family's past. The family on her mother's side. But then, when she finally meets her father's parents, a new question is formed. How can they know so much about the planets, Traveler and Journey, that are in the Fornax galaxies?

“

Conspiracies are fun and entertaining. The only thing to be afraid of are the facts that surround them.”

*Lynn Yvonne Moon*

Book 1 of the series, Reflection, is now a screenplay and was selected as a quarterfinalist in the Golden Scrip Competition. With exciting covers, a fresh edit, and a new publisher, Journey's Travels ranks in competition with other great young adult sci-fi series.
