

Local IT Expert John Hill Named As Official Host Of Star-Studded Small Business Tech Day Event in San Antonio

This FREE online event includes well known celebrities like Shark Tank's Robert Herjavec, Adam Chever, Mike Michalowicz and our company founder John Hill

SAN ANTONIO, TEXAS, UNITED STATES, August 10, 2023 /EINPresswire.com/ -- John Hill, Partner and Founder of TechSage Solutions, an IT services company serving small business owners in the San Antonio area, is officially a host of the second annual Small Business Tech Day happening November 16th.

This FREE online event includes celebrities like Shark Tank's Robert Herjavec, AI expert and top technology leader Adam Cheyer, best-selling author and entrepreneur extraordinaire Mike Michalowicz, and our company founder, best-selling author John Hill.

The event is designed to help small businesses equip themselves with the best technology and practices available today to increase productivity and profitability and protect them against online threats.

"It's nearly impossible for businesses to stay up-to-date on emerging trends in technology. It's been that way for years, but with the emergence of AI, dependence on "work-from-anywhere" models, and, unfortunately, an increase in online threats from overseas, it's more important than ever to know what's happening. The right tools, services, software, and partners can be the difference between business growth and going out of business. Owners and their employees can improve their quality of life while increasing productivity and profitability when they use technology the right way, and that's what we want to bring to San Antonio Area small businesses." said John Hill, Chief Executive Officer for TechSage Solutions.

This international event features well-known business leaders, tech experts, and leading minds showing small businesses how to compete and succeed in many aspects of their business with a
