

# Rental Cars UAE Going Global with Rentalcars.com

*RentalCarsUAE is now operating globally with rentalcars.com this year due to the increased demand for rental cars worldwide.*

DUBAI, UNITED ARAB EMIRATES, August 7, 2023 /EINPresswire.com/ -- Mr. Arif Hussain- the Marketing Manager at <https://rentalcarsuae.com/>, has disclosed this big news via the press that the leading rental car company- RentalcarsUAE is now going to be global with another big name in the [car rental](#) industry; [Rentalcars.com](#).

Mr. Arif has stated that the demand for rental cars is increasing not only in the UAE but worldwide. People are traveling vastly every year for business needs or visit. Thus, Rental Cars UAE has decided to partner with Rentalcars.com- a leading global car rental platform, and expand its reach to cater to customers in the USA, UK, Germany, Spain, Greece, Portugal, and France.

## Purpose and scope of car rental Business

It's fascinating to see how quickly the car rental industry is growing and the demand for this sector has increased globally in recent years. The industry looks promising, and there seem to be so many opportunities for growth and success in the future. With an influx of national and international tourists visiting different countries, the car rental business is expected to thrive and offer even more opportunities. Exciting times are ahead!

## Your One-Stop Solution for Car Rentals in Dubai and Beyond!

As per the statement of Mr. Arif- Rentalcarsuae aims to be your one-stop solution for car rental in Dubai and beyond. The company has proven itself with a positive commitment to customer satisfaction multiple times. Talking further about the global rental car service, marketing manager told the press that the entire car hiring process will be simple and seamless, with plenty of options to choose from. Plus, there will be transparency of the pricing and clear communication throughout the booking process. Not only that but, the cars will be in great condition to make the customers comfortable and safe while driving around.
