

Exeter Orthodontics in Millersville Offers Traditional Braces and Invisalign Aligners for Correcting Alignment Issues

Exeter Orthodontics in Millersville encourages patients to embrace a confident smile with braces and Invisalign.

MILLERSVILLE, PA, UNITED STATES, August 7, 2023 /EINPresswire.com/ -- Exeter Orthodontics is providing the residents of Millersville and surrounding areas with comprehensive orthodontic options to achieve the perfect smile: traditional braces and [Invisalign](#) aligners.

Both traditional braces and Invisalign aligners have proven to be highly effective in resolving various orthodontic concerns, ensuring patients can enjoy the benefits of a beautifully aligned smile. Traditional [braces in Millersville](#) offer time-tested results and can correct even the most complex alignment issues. They're also affordable, available from Exeter Orthodontics for the all-inclusive price of \$3,995. This comprehensive package includes X-rays, retainers, adjustments, and repairs, leaving no hidden fees or unexpected costs.

“

At Exeter Orthodontics, we prioritize patient care above all else.”

Dr. Lauren Wegrzyniak

Meanwhile, Invisalign aligners are virtually invisible,

allowing patients to maintain their natural smile throughout the treatment process, perfect for those seeking a discreet solution. Made from smooth, BPA-free plastic, they're also comfortable and removable.

"At Exeter Orthodontics, we prioritize patient care above all else," says Dr. Lauren Wegrzyniak, [orthodontist in Millersville](#). "Our team is committed to delivering personalized treatment plans, ensuring each patient receives the best solution tailored to their unique needs. We're excited to offer both traditional braces and Invisalign aligners to empower our patients to achieve their dream smile."
