How about a world with no domesticated animals yanked or pulled by a tethered leash? The Alpha Harness mini is no more than a re-purposed bridle and reins for horses. Visualize a bridle and reins for kittens and puppies. A proven method with horses (our four-legged friends), was used as far back as the Bronze and Iron Ages. The Alpha Harness is a re-purposed device (horse bridle). How many dogs or cats know left from right? When applying the Alpha Harness mini fundamentals – Walk, Talk & Guide! Yanking and tugging on a leash is now a thing of the past.

The United Nations recognizes seven languages, and they are Arabic, Chinese, English, French, Kiswahili / Swahili, Russian or Spanish. All other languages filter in through the main seven, however if there is a specific language that is not listed and wanted, the process is as simple as sending a request email, with the name of the language and site product and the custom made-to-order manufacturing starts. Smart Dog Agent utilizes the online Google translate translator to say a catchy phrase, "SMART ANIMAL AGENT", "SMART CAT AGENT" or "SMART DOG AGENT".
