

# SustainableScoop's DEI youth media program welcome PBS Student Reporting Lab and others to participate in the DMV

*Nureodiveres participants ages 15-25 are welcomed into the SustainableScoop classroom to address community and global sustainability challenges.*

ARLINGTON, VIRGINIA, UNITED STATES, August 9, 2023 /EINPresswire.com/ -- SustainableScoop is a unique nonprofit organization located in the center of

“

I can't wait to start teaching filmmaking, animation, and special effects. Having Asperger's Syndrome should not stop me or anyone from following their dreams.”

*Corwin Roncace, Co Producer  
SustainableScoop*

22202. Its vision is to engage youth through media education and advance discussion related to sustainability.

Nureodiveres participants ages 15-25 are welcomed into the SustainableScoop classroom to address community and global sustainability challenges. With access to the PBS Student Reporting Labs Storymaker curriculum and various other classes, this nonprofit hopes to empower youth to promote positive action through media.

SustainableScoop's Board of Directors is excited to unveil a series of impactful events.
