

# India Optical Fiber and Accessories Market: Widespread Implementation of 5G Drives the Industry Growth Across the Region

PORTLAND, OR, UNITED STATES,

August 9, 2023 /EINPresswire.com/ --

According to the report by Allied Market Research, titled, "India Optical Fiber and Accessories Market by Component (Fiber Optic Cable, Fiber Optic Cable Accessories, Copper Cable, and Copper Cable Accessories), Cable Category (CAT5, CAT5E, CAT6, CAT6A, CAT7, CAT8, and Others), and End Use (Data Center, LAN Residential, Enterprise, Government, Telecommunication, and Others): Opportunity Analysis and Industry

Forecast, 2019-2026", the [India optical fiber and accessories market size](#) was estimated at \$461.6 million in 2018, and is expected to reach \$1.66 billion by 2026, growing at a CAGR of 17.2% from 2019 to 2026. The report offers an in-depth analysis of the top winning strategies, drivers & opportunities, market size & estimations, competitive scenario, top investment pockets, and changing market trends.

Widespread implementation of 5G, rise in adoption of fiber to the home (FTTH) connectivity, and emergence of internet of things (IoT) propel the growth of the India optical fiber and accessories market. On the other hand, high installation cost and developments in the wireless communication systems hamper the growth to certain extent. Nevertheless, technological advancements in the fiber optic cable technology and surge in investments in optical fiber cable (OFC) network infrastructure are expected to pave the way for a number of opportunities in the industry.

Key Benefits for India Optical Fiber and Accessories Market:

- This study comprises analytical depiction of the India optical fiber and accessories market size

along with the current trends and future estimations to depict the imminent investment pockets.

- The overall India optical fiber and accessories market analysis is determined to understand the profitable trends to gain a stronger foothold.
- The report presents information related to key drivers, restraints, and opportunities with a detailed impact analysis.
- The current India optical fiber and accessories market forecast is quantitatively analyzed from 2019 to 2026 to benchmark the financial competency.
- Porter's five forces analysis illustrates the potency of the buyers and suppliers in the India optical fiber and accessories industry.
- The report includes the India optical fiber and accessories market share of key vendors and market trends.

The telecommunication segment to retain the lion's share by 2026-

Based on end-user, the telecommunication segment accounted for nearly half of the total market share in 2018 and is expected to lead the trail by the end of 2026. The enterprise segment, on the other hand, would cite the fastest CAGR of 29.3% during the study period.

The North segment generated the largest share in 2018-

Based on geography, the North region held the major share in 2018, generating nearly two-fifths of the total market, and is anticipated to rule the roost by 2026. Simultaneously, the East region would register the fastest CAGR of 23.3% throughout the estimated period.

Frontrunners in the industry-

The key players analyzed in the report include Finolex Cables Ltd., KEC International Limited, APAR Industries Limited, Universal Cables Limited, Aksh OptiFibre Ltd., Polycab India Limited, Sterlite Technologies Limited, Birla Cable Limited, Gupta Power Infrastructure Ltd., and Vindhya Telelinks Ltd. These players have incorporated a number of exclusive strategies including expansions, mergers & acquisitions, partnerships, joint ventures, collaborations, and others to retain their strong stand in the market.

India Optical Fiber and Accessories Market [Report Highlights](#)

By Component

- Fiber Optic Cable
- Fiber Optic Cable Accessories
- Copper Cable

- Copper Cable Accessories

#### By Cable Category

- CAT5
- CAT5E
- CAT6
- CAT6A
- CAT7
- CAT8
- Others

#### By End Use

- Data Center
- LAN Residential
- Enterprise
- Government
- Telecommunication
- Others

#### By Region

- North
- South
- East
- West
