

'SlavicPunk: Oldtimer' - a Slav-life/High-tech dystopia available on Epic Games

The cyberpunk genre mixes with Slavic culture in a shooter.

RYCHLIKI, POLSKA, August 9, 2023 /EINPresswire.com/ -- 'SlavicPunk: Oldtimer' Epic Games release

Game title: 'SlavicPunk: Oldtimer'

Genre: cyberpunk, isometric shooter

Price: \$24,99, 40% off for the first week (August 11 - August 18)

Release date: August 11, 2023 on Epic Games

Overview: 'SlavicPunk: Oldtimer' is an enthralling isometric shooter video game, inspired by the works of acclaimed Polish science-fiction and fantasy author, Michał Gołkowski. In this immersive cyberpunk adventure, players follow the story of Yanus, a troubled private investigator, as he embarks on a mission to solve a case involving a stolen data carrier. Battling his inner demons, urban gangs, and a formidable corporate entity responsible for the city's downfall, Yanus must navigate a dark, gritty world filled with action, stealth, hacking, and environmental puzzle-solving.

Key Features:

- Engaging combat and movement systems.
- Modular weapon upgrade system for unique encounters.
- Action-packed levels with stealth elements and puzzle-solving.
- Immersive city exploration, side quests, and captivating storytelling.
- A distinct Slavic take on the cyberpunk genre with sharp, caustic humor.
- Blending futuristic and outdated technologies in a post-communist architectural landscape.
- Unravel the truth hidden beneath the neon glow and concrete streets.

Story: 'SlavicPunk: Oldtimer' envisions a dystopian future in Central and Eastern Europe, exploring how the region's hypothetical city and inhabitants differ from typical cyberpunk settings. The game's artistic choices reflect a mix of futuristic and outdated technologies, grim, brutalist architecture, and characters facing crude realities. Players embark on a journey to help Yanus uncover the brutal and ugly truth as he tackles his final case.
