“

From our humble beginnings to where we stand today, I am incredibly proud of our team's dedication and the outstanding results we've achieved.”

Shay Berman

The Inc. 5000 list is a hallmark of entrepreneurial success in the business landscape, ranking the nation's top private companies based on their revenue growth over a three-year period. This accomplishment is a strong indication of Digital Resource's unwavering commitment to helping clients expand their digital presence, drive growth, and achieve business objectives.

"Year after year, our team at Digital Resource has consistently pushed the boundaries of what is possible in digital marketing and being recognized by Inc. for the sixth

consecutive year is proof of our drive," says [Shay Berman](#), the founder and president of Digital Resource. "From our humble beginnings to where we stand today, I am incredibly proud of our team's dedication and the outstanding results we've achieved."

Since its debut on the Inc. 5000 at #262 in 2018, Digital Resource has experienced remarkable growth. The company now boasts over 130 employees, serving 800+ clients across a multitude of verticals, including dental, franchise, and home services. Following 2022's successful [acquisition](#)
