IoT Tech Expo Europe: Thousands of Senior-Level Representatives Set to Gather in Amsterdam

IoT Tech Expo Europe, one of the most anticipated events in the IoT world, is just around the corner!

AMSTERDAM, NETHERLANDS, August 10, 2023 /EINPresswire.com/ -- Taking place on September 26-27, 2023, at the prestigious RAI Amsterdam, this cutting-edge event will provide an unparalleled platform for senior-level representatives, including CIOs, CEOs, Senior Architects, and top executives from leading technology companies worldwide.

The IoT Tech Expo Europe offers a unique opportunity for senior representatives to delve into the latest trends, innovations, and challenges concerning the Internet of Things sector. The event's carefully curated agenda boasts thought-provoking keynote and engaging panel discussions, all led by renowned experts and industry pioneers. Attendees will gain valuable insights and knowledge that they can apply to their own businesses, positioning them at the forefront of IoT innovation.

Featured agenda items include:

Digital Twins: Staying on Track with Digital Twins
Supply Chains: IoT Serving Sustainability in Supply Chains
Aerospace and Aviation: Implementing IoT Inside the Aircraft
Data Management: IoT Data Handling
Building Automation: Building Automation, the Infrastructures of Tomorrow
Edge Computing: The Evolution of Edge – Where Do We Go Next?
Connectivity Landscape: A Holistic Approach to the Connectivity Landscape
5G and AI: AI Opportunities in 5G
Resilient Connectivity: Maintaining Connectivity in a Time of War

Security Challenges: Examining the Current IoT Security Landscape
Device Security: The Ins and Outs of Device Security

[Featured speakers](#) include:

Cornelia Schaurecker - Global Group Director of Big Data and AI – VodafoneThomas Kleine - CIO – Pfizer
Anca Iordanescu - VP Engineering, Store of the future; Co-founder - IKEA; WomenInTech Sweden
Cristina Duta - Director of Intelligent Automation – AECOM
Garima Singh - Chief Architect – Sandvik

Robert Bakelaar - IoT Solution Architect - Royal Vopak
Dr. Satyajit Wattamwar - Data Science & Digital Expertise Leader - Unilever

The benefits of attending IoT Tech Expo Europe extend beyond gaining industry knowledge. The event's networking opportunities are unmatched, offering senior-level representatives the chance to connect with like-minded professionals, forge valuable partnerships, and collaborate with industry leaders. The VIP networking party at Strandzuid Boathouse will be the highlight of the social calendar, providing a relaxed atmosphere for guests to unwind, share ideas, and foster meaningful relationships.

"With over 6,000 IoT enthusiasts expected to attend, IoT Tech Expo Europe will be a convergence of knowledge and expertise. It presents a unique platform for senior-level representatives to explore the latest applications of IoT technology, engage with industry leaders, and discover cutting-edge solutions," said Olivia Reid, the Head of Operations at TechEx.

IoT Tech Expo's exhibitor showcase will feature over 200 companies, each presenting their latest technological advancements and innovative solutions. For senior representatives, this presents an exclusive opportunity to witness firsthand the groundbreaking products and services that are shaping the future of the IoT industry.

Don't miss this chance to unlock the future of IoT and gain a competitive edge in the ever-evolving technology landscape. The final discount of 15% will be available until the 27th of August. Secure your spot today and be part of this game-changing event!

Holders of Gold & Ultimate passes will also gain access to the official AI-powered mobile and desktop app. This cutting-edge application is scheduled to be launched on the 20th of September, offering a feature-rich digital gateway that will enrich their entire event experience. Leveraging advanced algorithms, the app intelligently analyzes attendees' industries, and

preferences to provide personalised recommendations of potential connections they might want to meet.
