

Axiz secures distribution rights for Veeam Data Management Solutions in East Africa

JOHANNESBURG, GAUTENG, SOUTH AFRICA, August 10, 2023 /EINPresswire.com/ -- Axiz, a leading technology distributor in Africa, is pleased to announce that it has been awarded the East Africa distribution rights for Veeam, a prominent data management solutions provider. This is a significant milestone in Axiz's commitment to Africa, which has been an integral part of its growth strategy.

The distribution rights cover several countries, including Kenya, Uganda, Tanzania, Rwanda, and Ethiopia. With a decade-long successful collaboration with Veeam in other markets, Axiz's expansion into East Africa is a natural progression to meet the growing demand for data management solutions in the region.

"We have in the past invested time and effort in building meaningful relationships with resellers in the region," said Terence Barter. "This has allowed us to gain insights into its unique challenges and dynamics enabling us to navigate the complexities of operating in various African countries effectively."

By leveraging its extensive network, expertise, and support services, Axiz aims to help accelerate the adoption of innovative technologies and reinforce its position as a trusted technology distributor on the continent.
