Texas Personal Injury Law Firm Intensifies Efforts to Assist Victims of Rideshare-Related Accidents

GARLAND, TEXAS, UNITED STATES, August 15, 2023 /EINPresswire.com/ -- The rise of rideshare services like Uber and Lyft has led to a marked increase in traffic accidents and fatalities. Recognizing the need for experienced legal support in this area, RTRLAW, a reliable, trusted, and respected law firm with offices in Texas and Florida, is intensifying its efforts to assist victims of [rideshare-related accidents in Garland, Texas](#).

RTRLAW, known for its commitment to protecting the rights of injured auto accident victims since 1988, is now extending its representation and assistance to rideshare accident victims in the city of Garland, Texas. According to a study from the University of Chicago and Rice University, rideshare services could account for a 2-3% increase in the number of fatal crashes across the United States, a figure that is likely to rise as these services continue to grow.
