“

For 20 years, Marsatta was founded with a vision to provide customers with the very best experience possible in chocolate.”

Chef Jeffray Gardner

Founded in 2003, Marsatta Chocolate has been on a mission to provide customers with unparalleled experiences through the sumptuous lens of chocolate.

In 2007, Marsatta began its journey into the world of Bean-to-Bar chocolate, embracing a process that allows the company to directly source raw cacao beans and meticulously transform them into high-quality chocolate. The result is an exclusive product that highlights the importance of quality, traceability, and innovation.

Naomi Gardner, COO of Marsatta Chocolate, shared her thoughts on the Experience Centre: "We have listened to our customers and learned the importance of a brick-and-mortar store for creating a memorable experience.
