Featuring vocalist Roger Chapman,
guitarist John 'Charlie' Whitney,
drummer Rob Townsend, bassist and vocalist John Wetton and multi-instrumentalist John 'Poli'
Palmer on vibes, keyboards and flute, Family's "Fearless" was released in October 1971 and was
the first album to feature new member John Wetton following the departure of John Weider
following the band's second US tour in 1971 and the UK Top Ten hit single "In My Own Time".

The album was one of Family's finest and reached the UK Top 20 upon its release, featuring such
strong material as "Spanish Tide", "Burning Bridges" and "Between Blue And Me".

This new three-disc edition of this classic album has been newly remastered from the master
tapes and also includes 24 bonus tracks drawn from the "In My Own Time" single, BBC Radio
sessions and a fine performance for BBC Radio One In Concert in December 1971. This new
expanded remastered release also features an illustrated booklet with a new essay.
