Efrayim Fischbacher

The World's Loudest Clarinet Player™ I wouldn't say I'm the GREATEST clarinet player in the

world, but let's just say I'm up there. I have a particular interest in collecting polka music and beautiful women. In my early 70's I found a passion for collecting clarinets. I am a musician and a beginner at clarinet repair, a field where I feel I have a God-given talent and gift.
