

Texas Democratic Candidate for U.S. Senate Thierry Tchenko and Ted Cruz Clash Over Education

Tchenko and Cruz exchange their visions for Texas' education system on Twitter the week after Tchenko announces campaign to unseat Ted Cruz

HOUSTON, TEXAS, UNITED STATES, August 14, 2023 /EINPresswire.com/ -- Last Friday, Texas Democratic U.S. Senate Candidate Thierry Tchenko and Ted Cruz clashed over a highly controversial topic: school vouchers. Mr. Tchenko believes school vouchers will be destructive to school districts throughout Texas. Meanwhile, Ted Cruz has publicly stated that school choice is the single most important civil rights issue of the 21st century. "This proves how out of touch Senator Cruz is. Public schools are not only the lifeblood of communities for millions of Texas students and parents but these public school districts are also the biggest employer in many counties throughout the state," Tchenko said. This exchange between Tchenko and Cruz came a week after Thierry Tchenko publicly launched his campaign for the U.S. Senate and it's the first exchange between a 2024 Texas Democratic U.S. Senate Candidate and Ted Cruz.

How does defunding public schools to fund private schools help EVERY child in Texas? This is not a rhetorical question. Make it make sense Ted.

I will meet you anywhere, anytime to have this important discussion. Everyday Texans deserve better than quick hot takes on Twitter.
