About Steelhead Productions

Steelhead Productions designs and produces branded environments for trade shows and other temporary marketing events. Our company and services exist to support the brand's event marketing professionals. We believe we are in the Human-to-Human business rather than the more typical B2B model. Event marketers constantly seek innovative strategies to elevate their brands using live marketing events. Doing so consistently promotes their success and shines a light on the brand and the brilliant marketing minds behind them—our customers.
