

North American renewable energy marketplace in Q2, and the impacts of policy changes and trends

Edison Energy webinar with Reunion CEO next Tuesday, August 22

IRVINE, CALIFORNIA, UNITED STATES, August 15, 2023 /EINPresswire.com/ --

A free webinar next Tuesday will explore recent legislation, regulations, and policy trends shaping the North American renewable energy market, with the Edison Energy Policy and

Clean Energy teams joined by Andy Moon, Co-Founder and CEO of Reunion, an innovative renewable energy finance company.

Their on-the-record conversation with Q&A will cover key insights from [Edison Energy's Q2 renewable market report](#) and recent guidance on the Inflation Reduction Act's clean energy tax credits and bonuses, highlighting how these policy changes impact renewable buyers' procurement strategies and the potential risks they present. The discussion will include the main takeaways from Treasury's guidance on tax credit transferability, and how corporations can invest in transferable tax credits to contribute to their ESG goals.

Note: As a follow-up, the webinar recording will be sent to all registrants. We invite you to sign up if you cannot attend the live session.
