

Sticky Brand Ranks Among the Top 12% Of Fastest Growing Companies on the Acclaimed Inc. 5000 List for 2023

With three-year revenue growth of over 956%, Sticky Brand ranks No. 614 among America's fastest-growing private companies!

NEW YORK, USA, August 15, 2023

/EINPresswire.com/ -- Inc. revealed today that Sticky Brand ranks No. 614 on the 2023 Inc. 5000, its annual list of the fastest-growing private companies in America. The prestigious ranking provides a data-driven look at the most successful companies within the economy's most dynamic segment — its independent, entrepreneurial businesses. Facebook, Chobani, Under Armour, Microsoft, Patagonia, and many other household name brands gained their first national exposure as honorees on the Inc. 5000.

This is the first time Sticky Brand has been recognized, ranking No. 614 with 956% three-year revenue growth.

"We are extremely proud to be recognized by Inc. 5000 as one of America's fastest-growing companies. This award is a true testament to the hard work of everyone at Sticky Brand, each of whom is committed to ensuring that we remain the best in the business by continually delivering on our promise of providing top-quality custom stickers and service to our customers, every time," said Michael Rist, CEO, Sticky Brand.

The Inc. 5000 class of 2023 represents companies that have driven rapid revenue growth while navigating inflationary pressure, the rising costs of capital, and seemingly intractable hiring
