

Flatstick Pub Presents Perks & Prizes for Fantasy Football Draft Parties & Weekly Pick 'Ems

Washington's largest local craft beer and mini-golf pub rolls out its Fantasy Football Draft Party Promotion at all six sports bar locations throughout WA state

KIRKLAND, WA, USA, August 15, 2023

/EINPresswire.com/ -- Flatstick Pub, a family-owned and golf themed pub known for hyperfocus on local craft beer, corporate and social parties, mini golf and a variety of golf-themed pub style games across six locations in Washington State announces the [Fantasy Football Draft Parties](#) for prior to the football season including draft perks and weekly NFL Pick 'Em prizes. An ideal spot for watching the Seahawks, Huskies, and Cougars on the gridiron, Flatstick is incentivizing fantasy football commissioners with a private space, free Wi-Fi, complimentary games for all participants and rewards for winners for leagues hosting their drafts on-site at any Flatstick Pub location.

"Flatstick Pub understands the extreme weight that fantasy league commissioners have when choosing the rules and format, collecting league fees and hosting the drafts," says Logan Salvadore, Community Marketing & Engagement Manager. "We know that trash talk is a key contributor to league culture and messaging an opponent in a chat doesn't hit the same as disparaging comments in front of friends." To schedule your draft party, click on the "Party with Us" tab, select the location nearest you and fill out the form.

The Fantasy Commissioner Draft Package is only \$100 and is offset by a gift card of the same amount to the winner of the league. "We promise no probes or investigations should commissioners win their own league and collect their \$100 gift card prize at Flatstick," Salvadore comments on the potential of nefarious trades, irrational vetoes, and waiver wire manipulations. "Personally, I'm a commissioner and five-time league winner - no big deal. It's a shame I'm not
