Suggested itineraries would include a Cruise north towards Peterborough to Bobcaygeon

- Check in at the Le Boat base in Horseshoe Bay Marina and cruise towards Young's Point and experience the Peterborough Lift Lock, a National Historic Site. This 120-year-old lift lock is the highest hydraulic lift lock in North America and stands 19.8 meters high.
- Cruise picturesque lakes and rivers to its lush forests as you arrive in the charming town of Lakefield.
- Enjoy the tall pines and granite shores of Stony Lake and continue your cruise towards beautiful Burleigh Falls.
- Discover the beauty of Kawartha Lakes to Buckhorn, named for the collection of deer antlers which were displayed on the outside walls of the original sawmill in the area.
- Continue Cruise to Bobcaygeon, a charming village situated on the shores of Pigeon Lake. Dock at Bobcaygeon Harbour and explore the town, full of quaint and unique shops, eateries, and lots to see and do.
- Visit the scenic town of Fenelon Falls, known as the "Jewel of the Kawarthas" you will find an eclectic mix of antique stores, gift shops, coffee houses and of course Lock 34 – located on its own island.

A second option for Le Boat customers to do a return trip cruising south toward the historical town of Trenton.

- Cruise south along the Otonabee River to Rice Lake, visit the small village of Hastings,
- Cruise to Campbellford. Le Boaters will have time to explore this charming community, visit the iconic Millennium Trail Suspension Bridge or stop for a selfie at the World's Biggest 'Toonie'.
- Just after Campbellford, boaters will get a chance to explore some truly beautiful natural scenery of the Trent-Severn Waterway and Parks Canada Oasis pods located between Locks 10 and 9.
- Cruise to Trenton which is set along the Bay of Quintes and marks the entry point to Trent Severn Waterway (TSW) from Lake Ontario and the southern end of our cruising area. Known for its military ties, Trenton is also home to the National Air Force Museum of Canada exhibits over

30 aircraft and dedicated to preserving the history of the Royal Canadian Airforce.

About the Trent Severn Trent-Severn Waterway National Historic Site

The Trent Severn Waterway is located in central Ontario's cottage country region and is a 386km (241 miles) waterway, first opened in 1922 to connect Lake Ontario and Georgian Bay. Today Parks Canada maintains and operates this historic lock system as a perennial destination for recreational boaters and paddlers, and a home to the many people who live, work, and play along this National Historical Site.

- The Canal is connected by 44 locks, including 37 conventional locks, two sets of flight locks, hydraulic lift locks at Peterborough and Kirkfield, and a marine railway at Big Chute which transports boats between the upper and lower sections of the Severn.
- The system also includes 39 swing bridges and spans 4,500 kilometres (2,796 mi) of shoreline and over 500 square kilometres (193 sq mi) of water
