

# BEMO Ranks No. 1178 on the 2023 Inc. 5000 Annual List

REDMOND, WASHINGTON, UNITED STATES, August 15, 2023

/EINPresswire.com/ -- [BEMO](#), a trailblazing leader in Cybersecurity and Compliance for Microsoft Cloud, is thrilled to announce its remarkable accomplishment of being featured on the prestigious Inc. 5000 list for the third consecutive year. Demonstrating consistent growth, innovation, and resilience, BEMO has maintained its position on this coveted list and soared to a new height by securing the impressive rank of #1178 in the 2023 edition.

The Inc. 5000 list, compiled annually by Inc. Magazine, is a testament to America's fastest-growing private companies' outstanding performance and transformative impact. BEMO's inclusion on this esteemed list for three consecutive years showcases its unwavering commitment to excellence, strategic vision, and dedication to driving success in a highly competitive market.

Since its inception, BEMO has been a trailblazer in Cybersecurity and Compliance for Microsoft 365. The company's consistent growth trajectory, fueled by innovative strategies and a customer-centric approach, has allowed it to stand out as an industry leader.

"We are incredibly proud to have achieved this milestone of being featured on the Inc. 5000 list for the third time in a row," said Bruno Lecoq, BEMO Co-Founder and CEO. "This recognition is a testament to our talented team's hard work, dedication, and passion, who consistently strive for excellence. It also highlights our unwavering commitment to delivering exceptional value to our clients and partners."

BEMO's remarkable ranking at #1178 in the Inc. 5000 list for 2023 (#1951 in 2021 and #1430 in 2022) underscores its continuous growth and influence within the industry. This achievement

reflects the company's ability to navigate challenges, seize opportunities, and drive sustainable growth through innovative solutions and client-centric strategies.

BEMO's mission: To enable any small or medium-sized organization to conduct business securely in today's connected digital world.
