## HONOR ROLL

2023

**8X HONOREE**

The Inc. 5000 class of 2023 represents companies that have driven rapid revenue growth while navigating inflationary pressure, the rising costs of capital, and seemingly intractable hiring challenges. Among this year's top 500 companies, the average median three-year revenue growth rate ticked up to an astonishing 2,238 percent. In all, this year's Inc. 5000 companies have added 1,187,266 jobs to the economy over the past three years.

"This month, we are celebrating our 27th anniversary," said Jim Berlin, Founder and CEO of Logistics Plus. "Growth has always been our only real strategy. With continued growth and success, we can offer employees many opportunities to advance and try new things, and that's pretty cool."
