

Modo Modo Agency Makes the Inc. 5000 for Its Fourth Time

Marketing agency named four-time winner of fastest growing companies in America

ATLANTA, GEORGIA, UNITED STATES, August 15, 2023 /EINPresswire.com/ -- [Modo Modo Agency](#), a strategic B2B marketing agency, is proud to announce it was named for the fourth time to the 2023 [Inc. 5000](#). The prestigious ranking provides a data-driven look at the fastest-growing private companies in America. The agency ranked No. 3,486 overall, up 459 spots from its last appearance.

“

It's such an honor to be recognized as a top-performing private business for the fourth time by Inc.—especially considering the jarring realities of business these past few years.”

Maira Vetter*

Modo Modo Agency helps leading global businesses build brand value, valuation, and share price, by making a difference within their organizations, industries, and communities. Modo means “the way,” and their team operates to chart and navigate the course to market opportunity and brand impact.

The agency has grown continuously thanks to a commitment to evolving its full-service capabilities in support of client needs. Modo Modo recognized how difficult it was for clients to find business and B2B acumen from traditional and consumer agencies, especially when looking for performance and digital media. To fill this gap,

Modo Modo expanded its digital and paid media capabilities and expanded its strategic marketing for its B2B clients. This move has fueled significant agency growth and amplified the holistic value it provides client partners.

“It's such an honor to be recognized as a top-performing private business for the fourth time by Inc.—especially considering the jarring realities of business these past few years,” said Modo

Modo Agency CEO, Moira Vetter. "This achievement wouldn't be possible without the trust and partnership of our committed team, supportive partners, and amazing clients whose own growth and loyalty fueled our performance."

The Inc. 5000 class of 2023 represents companies that have driven rapid revenue growth while navigating inflationary pressure, the rising costs of capital, and seemingly intractable hiring challenges. In all, this year's Inc. 5000 companies have added 1,187,266 jobs to the economy over the past three

years. For methodology and complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, location, and other criteria, go to www.inc.com/inc5000.
