Global Cannabis Holdings.*

The visionary forces behind the Futurist Showcase are entrepreneurs Charlton Woodyard II, CEO of Avi8ted Ventures, and Brock Pierce, the President of the Bitcoin Foundation, whose remarkable journey spans technology, real estate, and social impact. Pierce’s commitment to pioneering change and igniting community empowerment finds a fitting home in the profound ambiance of the Pierce School Penthouse. “Brock Pierce is an inspiration to any

builder with his ability to make change happen across the world in every industry he touches. We are incredibly grateful that he has opened his home to us for this amazing opportunity to present our mission to the world” - David Luftglass, Chairman, Global Cannabis Holdings

An assembly of Washington, D.C.’s foremost leaders, policy architects, artistic trailblazers,

investors, educators, and catalysts for change will grace the gathering. Hosted at the largest penthouse in the city, The Pierce School Penthouse, this event creates an unparalleled platform for collaborative engagement, fostering the coalescence of ideas and collective growth. The Showcase's compelling mission, empowering individuals to champion change in their communities, resonates profoundly in the context of this prestigious locale.

In an era where innovation and purpose dictate the trajectory of tomorrow, the Futurist Showcase stands as a beacon of transformative potential. From the heights of the Pierce School Penthouse, a space resonating with entrepreneurial verve, this event catalyzes more than dialogue; it ignites a movement.

About Global Cannabis Holdings (GCH)

Global Cannabis Holdings (GCH) began in Uruguay as a pioneering force in the international cannabis sector. With a groundbreaking tokenized portfolio of cannabis companies, GCH is redefining the future of this rapidly growing industry. GCH has obtained ownership in 38 companies across 6 countries, all wrapped up into one entity, offering a diversified approach to investing in cannabis. The holdings include everything from a six square kilometer production project in Uruguay, to the top distributor in Brazil, and the largest extraction group in California. With a visionary, forward looking approach, GCH is poised to catalyze change on a global scale by embracing the remarkable possibilities of cannabis. GCH recently underwent its public launch in the Luxembourg market via the STOKR platform, the first registered Security Token Exchange in the European Union.
