"Why We Care NFP: Bringing Hope and Transforming Lives in Chicago's Low-Income Communities"

CHICAGO, ILLINOIS, UNITED STATES, August 15, 2023 /EINPresswire.com/ -- Why We Care NFP, a 501(c)3 [organization](#) based in Chicago, is dedicated to making a profound impact in the lives of individuals residing in low-income communities, the homeless, and women and children. With a mission to turn feelings of helplessness into hope, the organization is spearheaded by Tanya Watkins, a compassionate visionary who aims to inspire change and create a brighter future for those in need.

Growing up in a loving household after being adopted at a young age, Tanya Watkins always felt a sense of incompleteness. Her journey took a transformative turn when she began volunteering at group homes, where she encountered teenage girls who mirrored her own experiences. It was in these encounters that she recognized the potential for a different life, and an unbreakable connection was forged. Tanya's profound empathy drove her to establish Why We Care NFP, with the primary objective of demonstrating care and instilling hope in the lives of those facing adversity.
