Wahsega recognized as a top 15 emerging tech vendor in a report from analyst firm GTM Partners.

ATLANTA, GA, UNITED STATES, August 16, 2023 /EINPresswire.com/ -- [Wahsega](#), a building control and communications company, today announced it has been recognized as a top 15 emerging tech vendor in a report from analyst firm [GTM Partners](#).

Wahsega Named Top 15 Emerging Tech Vendor by GTM Partners

The first mass notification and safety IoT platform that protects both people and buildings while fully integrating device management to greatly reduce IT workload. Wahsega built [Carina](#) so that you don't need to sacrifice safety and functionality. Existing mass notification systems are inherently broken. Carina solves this problem by providing complete coverage and reliable operation.

“

We wanted to give a special shout out to Wahsega for keeping schools and people safe.”

*Lindsay Cordell, Senior GTM Analyst at GTM Partners*

“We're proud to be recognized by the analysts at GTM Partners for our innovative approach,” said Caroline Dunn, VP of Marketing at Wahsega.

“While the new tech report covers GTM technology, we wanted to give a special shout out to Wahsega for keeping schools and people safe,” said Lindsay Cordell, senior GTM analyst at GTM Partners and author of the report.
