“

We launched our newest platform, curriculum and services with a vision to bridge the gap between education and the real world.”

Eric Davis, CEO of Skyepack

The Inc. 5000 has been a platform that has propelled brands such as Facebook, Chobani, Under Armour, Microsoft, and Patagonia into the national limelight. And now, joining this illustrious group, Skyepack has set a commendable benchmark, especially for companies serving the education and non-profit sectors.

Having introduced its revolutionary Career-connected Learning Ecosystem platform and services just over a year ago, Skyepack has exhibited not just rapid growth, but also a profound impact on the educational ecosystem. Eric Davis, CEO of Skyepack, shared his thoughts on this notable achievement, stating, “We launched our newest platform, curriculum and services with a vision to bridge the gap between education and the real world. Making it to the Inc. 5000 list is a testament to our dedication and effort to connect students to meaningful future opportunities.”

Skyepack's comprehensive education solutions serve over 300 [universities](#), K12 schools, nonprofits and industry partners. In 2020, Skyepack began developing its newest educational solutions that are meticulously crafted to seamlessly blend career-connected and work-based learning into existing curricula, a feature that's indispensable in today's rapidly evolving educational landscape.

Why Educators, Industry and Institutions Should Take Notice:

Skyepack's inclusion in the Inc. 5000 is not merely a recognition of business growth, but a clear signal of its transformative impact on education. For schools, industry and nonprofits looking to innovate and elevate their educational methods, Skyepack presents a forward-thinking approach that ensures students are not just educated, but also prepared for real-world challenges. By embracing Skyepack's solutions, institutions stand to offer a richer, more holistic learning experience that resonates with the demands of the modern world.
