As the evening draws to a close, guests will indulge in delightful desserts, knowing that their contributions have helped make dreams come true.

The Sunshine Foundation is a non-profit organization dedicated to fulfilling dreams for children with life-long chronic conditions such as: spina bifida, cerebral palsy, profound low-functioning (Level 3) autism, Down syndrome, hydrocephalus, severe epilepsy, Sickle Cell Disease, blindness, deafness, trauma from abuse, and others.

Through the generosity of donors and supporters, the Foundation has spread sunshine and created magical experiences for over 41,900 children and their families since 1976.

To make these dreams a reality for children that may be turned away from other wish-granting

organizations that require a life-threatening or critical diagnosis, Sunshine Foundation relies on the generosity of individuals, organizations, and corporations to help keep the Dream Village a peaceful and relaxing escape from reality for the children and their families that stay there while on their Dream Come True Trips provided by the Sunshine Foundation.

The most common request is a Magical Dream to visit Disney World, Legoland, SeaWorld, and Universal Studios while choosing to stay at the Sunshine Foundation Dream Village near Disney.

Sunshine Foundation also answers Special Dreams: shopping sprees, computers and iPads, outdoor playsets, above-ground swimming pools, family trips and cruises, adaptive tricycles, and other special needs equipment, plus many more.

To participate in this extraordinary event and contribute to a noble cause, individuals and businesses are invited to purchase tickets and explore various sponsorship opportunities. Don't miss this chance to be a part of something truly special. For more information, please visit: [www.sunshinefoundation.org/2023gala](http://www.sunshinefoundation.org/2023gala).
