

Dare 2 Empower Condemns City of Murrieta's Attempt to Restrict Access to Reproductive Healthcare

MURRIETA, CALIFORNIA, UNITED STATES OF AMERICA, August 16, 2023 /EINPresswire.com/ -- DARE 2 EMPOWER, a leading advocate for equitable healthcare access and reproductive rights, strongly denounces the actions taken by the city of Murrieta to restrict access to essential reproductive medical care for disadvantaged community members. This move threatens the well-being and autonomy of those served by Planned Parenthood, a crucial healthcare provider that has been instrumental in ensuring comprehensive reproductive care for all.

"Recent attempts by Murrieta officials and members of the community to impose restrictions on Planned Parenthood's services send a distressing message to the community members who rely on these vital resources," said Christel Reyna, Director of DARE 2 EMPOWER. "We firmly believes that every individual, regardless of their socioeconomic background, deserves unimpeded access to reproductive healthcare services that empower them to make informed choices about their bodies and futures."

Furthermore, DARE 2 EMPOWER is deeply concerned about the fire at the clinic in El Centro early this morning (08/15), which underscores the urgency of the situation. Although a cause has not been officially determined, acts of violence and intimidation against healthcare providers not only endanger the lives of clinic staff and patients but also undermine the basic principles of healthcare justice and civil discourse.

Considering these concerning developments, DARE 2 EMPOWER calls upon community leaders,

policymakers, and all concerned citizens to stand together in support of comprehensive reproductive healthcare access for all individuals, irrespective of their economic status. It is imperative that we come together to protect the rights and well-being of vulnerable community members, ensuring that they have access to the care and support they deserve.

DARE 2 EMPOWER remains steadfast in its commitment to advocating for reproductive rights, equitable healthcare access, and the dismantling of barriers that disproportionately affect marginalized communities. By uniting our voices and actions, we can create a future where all individuals have the freedom to make choices about their reproductive health without fear or discrimination.

About DARE 2 EMPOWER

DARE 2 EMPOWER is a non-profit organization dedicated to promoting reproductive healthcare equity and advocating for the rights of underserved communities. Through education, outreach, and advocacy, we strive to empower individuals to make informed choices about their reproductive health and to ensure that access to quality care is a fundamental right for all.
