The International Business Awards are the world's premier business awards program. The 2023 IBAs received entries from organizations in 61 nations and territories.

Winners will be celebrated during a gala banquet at the Cavalieri Waldorf Astoria Hotel, in Rome, Italy on Friday, 13 October.

More than 3,700 nominations from organizations of all sizes and in virtually every industry were submitted this year for consideration in a wide range of categories. "Nominations to the IBAs get better every year, and this year's class of Stevie winners is the most impressive yet," said Stevie® Awards president Maggie Miller. "The winners have demonstrated

that their organizations have set and achieved lofty goals. We congratulate them on their recognized achievements, and look forward to celebrating them on stage in Rome on 13 October."
