

Cannalle Inc. Adds 1000mg Full-Spectrum CBD Products To Its Offerings

UNITED STATES, August 16, 2023

/EINPresswire.com/ -- Combining high-quality skincare with the health benefits of CBD, Cannalle reinforces its commitment to excellence and product effectiveness in the luxury health and beauty industry.

Cannalle Inc., a pioneer in high-quality skincare infused with full-spectrum CBD, announces the release of its new line of products, each featuring an impressive [1000mg full-spectrum CBD](#). This innovative company is committed to offering health and beauty

treatments that look and feel luxurious and provide substantial wellness benefits.

"Our philosophy is simple; the product can't just look good; it must be good from the inside out," the company's rep stated. This mindset was the driving force behind creating the firm's new line, which includes the CBD Infused Pain Relief Cream, the Travel Size Pain Relief Cream, and the Time Capsule™ - Lifting Eye Cream.

Each product is crafted with a robust 1000mg full-spectrum CBD, a potency that surpasses many other brands on the market. These unique formulations are infused with the finest CBD and contain rejuvenating naturals, plant stem cells, and fruit peptides to enhance their revitalizing properties.

The CBD Infused Pain Relief Cream and its travel-size variant offer targeted relief to cutaneous receptors, with their rich, creamy textures and fresh herbal scents contributing to an overall feeling of well-being.

Meanwhile, the Time Capsule™ - Lifting Eye Cream uses orange plant stem cells to fortify skin structure, with added vitamin C for collagen production and improved appearance of hyperpigmentation. This serum also harnesses the benefits of CBD Oil to combat free radicals
